

Internship Certificate

2025 September 29

for

**Mr. Mohamed Rami
Brik,**

This is to certify that **Mr. Mohamed Rami Brik** successfully completed his internship at **FinGenesis** from **January 6, 2025 to July 6, 2025**.

During his internship, he was assigned to the **DevOps and Software Engineering team**, where he worked diligently on his project assignments. He demonstrated strong motivation, dedication, and consistently delivered quality work. For his daily activities, he reported to the Technical Team Lead.

Rami has proven to be a talented and hardworking individual. We wish him continued success in all his future endeavors.

ARTICLE 6: Appraisal

The validation process of the ESP or Graduation Project is defined as part of the testing procedures. The activity of the student will be assessed. An evaluation form is completed by the host organization and the Academic Supervisor and delivered to ESPRIT.

ARTICLE 7: Internship Report

At the end of the internship, the student will submit an internship report to ESPRIT, endorsed by the Company and the Academic Supervisor who has ensured the student's follow-up. A copy of this report will be forwarded to the company subject to the respect of the student's copyright.

The internship report will be defended before a jury and subsequently graded. This defence is public unless an exception is granted due to lack of confidentiality, on reasoned request of the company official.

At the end of the internship, the company will issue a certificate to the student specifying the nature and duration of the ESP.

ARTICLE 8: (Non-Disclosure)

The student will be required, throughout and after the period of the ESP's Internship, to observe professional secrecy with regard to third parties for everything related to his/her activity during the internship and more generally of which he/she has become aware directly or indirectly in the course of carrying it out; the content of documents that have been penned by the student himself/herself, including the ESP report, or any item which could have been lent to him/her by the company remains by all means the property of the latter.

ARTICLE 9: Consent

This agreement is first brought to the attention of the student or his legal representative, if minor, to express consent for the terms set out above.

ARTICLE 10: (ESP or Graduation Project Outline)

The ESP will take place according to the following organization:

ESP Internship dates: The ESP will take place from 06-01-2025 through 06-07-2025 and shall expire no later than the end of the academic year.

In case of extension for exceptional reasons conducted before graduation and beyond the original planned dates, an amendment must be prepared and signed by the contracting parties.

Business Site Address: The internship takes place at the business address.
